

**Sensitization Meeting on Advancing Tobacco Control with
Special emphasis on Capacity Building and Enforcement of COTPA, 2003
Burdwan Municipality on 27.2.18**

Introduction:

Tobacco is threatening to become an uncontrollable epidemic with 13 lakh deaths every year due to tobacco related diseases. Economic burden (both direct and indirect) of tobacco use in India is estimated to Rs. 104,500 crores per year. In this context tobacco control programs aim to reduce disease, disability and death related to tobacco use. Against this backdrop MANT has been facilitating for establishment of effective and efficient system of tobacco control in the state of West Bengal.
