

**Sensitization Meeting on Advancing Tobacco Control with
Special emphasis on Capacity Building and Enforcement of COTPA, 2003
Mal Municipality on 29/01/2018**

Introduction:

Tobacco is threatening to become an uncontrollable epidemic with 13 lakh deaths every year due to tobacco related diseases. Economic burden (both direct and indirect) of tobacco use in India is estimated to Rs. 104,500 crores per year. In this context tobacco control programs aim to reduce disease, disability and death related to tobacco use. In this perspective MANT is on the way towards establishment of effective and efficient system of tobacco control in the state of West Bengal.

Planning:

Project Coordinator approached the Chairman of Mal Municipality for conducting a sensitization programme with all the councillors and officials of the Mal Municipality. Programme Coordinator followed up with the Urban Planner and finalized the date of the programme on 29th January, 2018.

Focus:

The main focus of the program was to orient and sensitize the Elected Councillors and other officials of Mal Municipality on the burden of tobacco use and need for a comprehensive enforcement mechanism through which the implementation of Cigarette and other Tobacco Product (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act, 2003, could be ensured at the Mal Municipality areas.
