

District Level Public Health Review Meeting at District Hospital Meeting Hall, North 24 Parganas on 30.05.2019

Introduction:

Tobacco is threatening to become an uncontrollable epidemic with 13 lakh deaths every year due to tobacco related diseases. Economic burden (both direct and indirect) of tobacco use in India is estimated to Rs. 104,500 crores per year. In this context tobacco control programs aim to reduce disease, disability and death related to tobacco use. Against this backdrop MANT has been facilitating for establishment of effective and efficient system of tobacco control in the state of West Bengal.

Planning:

As per Swasthya Bhawan Order Deputy Chief Medical Officer of Health- II, North 24 Parganas requested MANT to organise a sensitization Programme on COTPA, 2003, on 30th May, 2019, at District Hospital Meeting Hall, North 24 Parganas.

Focus:

The main focus of the program was to orient and sensitize the District and Block level Health Officials and ASHA workers of Birbhum on the burden of tobacco use and need for a comprehensive enforcement mechanism through which the implementation of Cigarette and other Tobacco Product (Prohibition of Advertisement and Regulation of Trade and Commerce, Production, Supply and Distribution) Act, 2003, could be ensured at the North 24 Parganas areas.

Venue: Meeting Hall, District Hospital, North 24 Parganas
