

World Cancer Day Observation at Saroj Gupta Cancer Centre & Research Institute, Thakurpukur on 4th February, 2019

Observation: we observed World Cancer Day at Saroj Gupta Cancer Centre & Research Institute, Thakurpukur on 4th February, 2019. The main theme to celebrate World Cancer Day was how to prevent **ENT & Head and Neck Cancer (Pediatric & Adults)** and spread awareness to all. The dignitaries like **Dr. Arnab Gupta** (Famous Oncologist, Director-SGCCRI), **Mr. Anjan Gupta** (Hony Secy-SGCCRI), **Dr. Gautam Bhattacharya** (Asst. Secretary-SGCCRI) are present on that day.

Inaugural song by the child survivors of Saroj Gupta Cancer Centre & Research Institute, Thakurpukur. Child survivors of

Saroj Gupta Cancer Centre & Research Institute, Thakurpukur felicitated the dignitaries. After that **Dr. Arnab Gupta** (Famous Oncologist, Director-SGCCRI) **lighting the lamp ceremony** along with other dignitaries. Skit performed by Child Survivors.

A Scientific Discussion & interactive Session was organized with patients by **Dr. Dhrubajyoti Mukherjee** (Head ENT) of Saroj Gupta Cancer Centre & Research Institute, Thakurpukur. He focused on scientific discussion on Head & Neck Cancer. Some common Head and Neck Cancer symptoms include trouble swallowing, headaches, trouble breathing, frequent coughing, change in voice, a red and white patch in the mouth, ear pain or trouble hearing etc. Tobacco is

the root causes of all Cancer. Cancer is curable if it is on early stage. There is a huge growth in medical science to cure cancer and people can live their life smoothly. Darama “**Kabuliwala**” performed by ‘**Kromagoto Natya Sanastha**’ enacted by **Dr B.D. Mukherjee & his team.**
