

**Sensitization Meeting on Advancing Tobacco Control with  
Special emphasis on Capacity Building and Enforcement of COTPA, 2003  
With District and Block Level Stakeholders of North 24 Pgs District on  
5.02.2018**

**Introduction:**

Tobacco is threatening to become an uncontrollable epidemic with 13 lakh deaths every year due to tobacco related diseases. Economic burden (both direct and indirect) of tobacco use in India is estimated to Rs. 104,500 crores per year. In this context tobacco control programs aim to reduce disease, disability and death related to tobacco use. In this perspective MANT is on the way towards establishment of effective and efficient system of tobacco control in the state of West Bengal.
